About the Institution:

College of Engineering Bhubaneswar (CEB) established in the year 1999 under Nabadigant Educational Trust is engaged in Engineering education, research and other developmental programmes in the state of Orissa. The college has been reaching to greater heights over the years under the leadership of Er. Prabhat Ranjan Mallick. CEB is situated in a picturesque 12 acres area of campus the campus has splendid buildings for each department fully equipped with all modern gadgets in respective labs and workshops. It is now fully operational in its new infrastructure located at the heart of the temple city of Bhubaneswar, which is the capital of Orissa where one can see the stamp of architectural planning with greenery all around having excellent communication network by road, rail & air. All the courses of this institution are approved by AICTE and the College is affiliated to Biju Pattnaik University of Technology (BPUT) Orissa, India.

About the O.I.T.S:

Orissa information technology society (OITS) was established in the year 1997 in the state of Orissa with the noble thought of bringing information technology to grass root level of the state.

Objective

The objective of workshop is to “train the trainer”. The workshop provides active and co-operative learning methodology with special emphasis on through explanation. It aims at providing ample of scope to the faculties to prepare for teaching the operating system and its advanced features at B.Tech, MCA & M.Tech level.
